## LOUISVILLE.

THURSDAY, OCT. 21, 1258.

When, in former years, we told the Democra- had, he stands prepared to use ey that their great apostles, Jefferson and Jackson, not only half way, but to all to were false trachers, who had written and intered creditors and steekholds: and he could be read to work false trachers, who had written and intered creditors and steekholds: and he could be reditors and steekholds: and he could be reditors. e mulgated, . were attached to if we had com- the enterprise and the disast smulgated. \*\* were successful "miched in caorditors and stocklouders from the
ordinal storing. We have lived long enough to see
of things. These, it must be the thigher law of constitutional interpretation, which was proclaimed both by Jefferson and Jackson in their reversies with the Supreme Court. The U icn, while it experases a sense of danger the Denn site organization in this country their political symbol. The X is the Denn site of constitution in this country that the process a true of a maryth productive of a m that the Dom of the Grantzeon is the distribution of a marvely productive of store here, and a life of black store there, a hydra titled the reacter slower. I is a fiof many hear. Jeogeness the following means is checking the dansfection:

votes, and the sale of offices as opasion to stop the clas-more of demangogues is but a rejuteration of charges again and again made in this journal; the confession that a fixed principle is needed to guide Democracy in that a fixed principle is needed to guide Democracy in distance elections in an admission that there has been induce in the past; and the pronunciation of the lingdom, is well worth the transle of ratio is. under the statute of lumitation, or by its ex post facto om the Union is a blow at the "higher law" of ieneral Jockson, we make an extract from his cele-

of Democracy, held Jackson up as a cool impadence of his proceedings. rty, for we see that Eli Thayer and others have condinted it. But Jefferson, also, who is claimed character and power of reasons and his mine that the founder of the model Democratic school of politics, held views even more reprehensible than those of the great political architect in the 're-contibose of th

cods and pointing to their procepts as the party rule of action, while, und rlying their ductrines, the manced user-lused by their blind supporters. A died recently in his native corry, rain of gunpowder under the Capital at Washing, and un, if ured, could not destroy that material and the crock Revolution, and the could not destroy that material and the country and the c

gusde it," to a undon past heresies, to pay more re in to eternal truth, and devote less time to di-

to which they have heredotors clung with such blind devot doese.

The instances of tast firth and broken pledges by which Mr. Be hance has heretofore maintained his position are in the course of daily exposure. Col. Formey has been charged with the fallation of facts concerning the President's treatment of Rob J. Walker, when Governor of Kanasa, but his statements can be corroborated by written documentary evidence. It will be recollected that Gov. Walker resigned about ten assouths since. A few works previous to that occurrence, when the New York State election was pending, it was beginning to be evident that the President would yield to the new exacts one of the free-eating school of politics and desert Walker and abandon the policy of the naturations which had been given when the latter start d for hances. The Democratic person stoutly donied the truth of all tussors of this kind. The Allany Atlan, of Nov. 3d, the morning of the elses. Alliany Atlan, of Nov. 3d, the morning of the el-

le another column was this additional paragraph and the Presi 21's di putch-The fabricate ale the rest by the state despite to the transfer the three city last algebt, true the knocentic luminal

J. LUCHANAN

Now all this parade of indignation, their necessa-tions of for ery, the estentations use of the tela-graph, and this reduplication of contradictions were date in the Democratic on vin. 10 of the graph, and this reduplication of contradictions were tail putly electiments between the putly electiments between the perfect ments between the perfect and secured a majurity to the livementate party on the question of sustaining Walker and Stanton in the Kunsaa pilor. Now water and Stanton in the Kunsaa pilor. Now mark the perfect. This dispute bore date November 3d well on the 10th Decamber, the Presional announced be removal of Stanton; and, on the 18th of the same month; the resugnation of tion, Walker result in because he was descrited in his Kan. Wa har rent in because he was deserted in his Kan-Waker sent in because he was exercted an arrival as plotby, was accepted. The game was played on the last of the fall ele ions had been held, and strong drink." We presume if fixes of the P silent did not accupie to violate his pledges, sioned by the results of the electric strong in this rive is the strong drink. the first of the constraint of

that his most operserviceable favorites are repudi. against the President, his bold dictation, and his un- least said the somest ment d. erupulous abuse of the Executive power! Ca The Washington States adopts the following

of the party, Mr. States? Between yourself and the President there is a wide difference of opinion

The elective ju iciary and jury system are lamost every place where party orginations exist. A newere entire is uttered against the former city in a story that a follow who was arrested there on some serious charge offered as bell "Judge Barnes." The judge not having a very judicial appearance, an impostigation was made, and it was found that he was judge of a cock pit, and a winness, who had aworn that he had been on the lench twenty two years, explained that he meant a shoemakar's those persons recently appointed to offices by him for obtaining them under false pretences?

He reports the stockhold a

desiring to put off the suit be acked it shall be tried. That if a triel

our fermer position upheld by the Administration fair propositions, and the number of the rowns area at Washington, which thus pays an uncon-

bright nor handy, lit t l n'. i n' t sists of a bulb precisely the shap . . al double leaf growing out of the lone is of a pale green och r, while all

with fancy interlacings and dot of and leaf, in the mort la u u a d t The paragraph above is valuable in various points of view. The acknowledgment that the Democratic party has been upbeid by time-serving, by yielding principles to expediency by a shameful traffic in value, and the sale of offices as opision to stop the classical desired bringing the plant to bloom in New Chean, and the sale of offices as opision to stop the classical desired bringing the plant to bloom in New Chean, and

BARGAIN AND INTRICALL -A rec mi dev States the decision of the Superess Coart as final is a brand of hereay against Thomas Jefferson and Andrew Jackson. though perhaps it may be evaded of the Third Congressional II trist without and tion, so it was agre I that Ben. W. should retire and Sickles signed an agreement to we'lrg that h would not be a estididate for re-election, but in c. Ing it necessary for his political justification

Sickles was elected, and now, when Wall rime calls upon blm to stick to his bond, he is met by a that rofusal! Thus Sickles seems to he carried the terr may be most dangerous beresy, at a time when district in his breaches pocket for two years, and La are herefold that a Southern fit estern is a meet cared to ask the voters their epicia of the Manhington Union, as the meet cared to ask the voters their epicia of the Manhington Union, as the Co The Chinese statesman and the constitution. This very doctrine, promulgated by him, is now the least of the Black Republicant the creed, or rather of the ultra fanatical portion of that Bonea Courier, greatly cells be a required to the lamperor, was, according to a writer in the creed, or rather of the ultra fanatical portion of that Bonea Courier, greatly cells because of the rating to the results.

He had enjoyed apportunities for learning character and power of fotogus actions which public affairs, of integrity and home dy, as he shows, and as a state man and diplon tist of the cause of civilization and enligh et ed and pro perpu-

nternational interepurse. GP Prince Mavrocurdato, a patrict torcek who has adventures of Lord Boron, as retited by him by Dr. Kennedy, Morre, Tr lawney, at lo be

train of gunpowder under the Capitel at Washington, if arod, could not destroy that pasterial emillem of our un on more completely than the out-to-coment of the above meetismed persisions principles of the fathers of Demouracy would acutier the great and ended and bulwark of constitutional liberty.

We have reproduced these articles to show that it is limited by the service of the low-, see the service of the service of the low-, see the service of the service of the low-, see the service of the

who has concealed the deformity of its projects, unfurif the broad lamner of the constitution, and, in the future, resulve that the "mity of its political organization" shall not be effected solely by "ikulking and petifoging or by the power of mere votes regardless of the principles of the voters. If the Washington I mion has any tremble in constructing a platform out of such materials, the mambers of the Democratic party are credially lavited to a joint occupation of that which the American party has maintained for years, provided they come in sincerity and leave is hid them the incendiary doctrines to which they have herefolors clung with such billiad devot dases.
